 1/4 cup hot water
 3/4 cup cream
 150g fresh raspberries, pureed

METHOD

Sprinkle gelatine over hot water, stir to dissolve and allow to cool.

Combine biscuits and butter, then press into the base of a 23cm springform pan and refrigerate until firm.

Beat cream cheese and sweetened condensed milk together until smooth and then beat in ice cream.

Beat cooled chocolate and gelatine into cream cheese mixture and then spoon evenly over crumb base.

Swirl raspberry puree through the cheesecake mixture.

If desired melt more white chocolate and drizzle over top.

Refrigerate before serving

Summer berry pavlova

Sometimes you can't beat a classic. With this recipe you can substitute making the meringue base with a store bought pavlova.

Ingredients

MERINGUE

6 large free-range egg whites

300 g caster sugar

PAVLOVA

400 g fresh strawberries and raspberries

200 ml double cream

200 ml fat-free natural yoghurt

2 tablespoons caster sugar

1 vanilla pod

a few sprigs of fresh mint

METHOD

Preheat the oven to 150°C/300°F/gas 2. Put your egg whites into a clean bowl and whisk them at a medium speed until they start to form nice firm peaks.

With your mixer still running, gradually add the sugar and a pinch of sea salt. Turn the mixer up to the highest setting and whisk for 7 to 8 minutes more until the meringue is white, glossy and smooth. If it feels grainy, whisk for a little bit longer, being careful not to let the meringue collapse.

Line two baking trays with baking paper. Divide the meringue mixture evenly between them and shape each blob into a circle about 20cm in diameter.

Put both trays into the oven and bake for 1 hour until the meringues look slightly golden and are fluffy in the middle.

Halve or quarter the large strawberries and leave the smaller ones whole. Mix them with the raspberries. Whip the cream with the sugar until it forms soft peaks, then stir in the yoghurt. Halve the vanilla pod lengthways, scrape out the seeds and fold them into the creamy mixture.

Spoon half the cream mixture on top of one of the meringue halves and smooth it out. Sprinkle half of your berries evenly around the cream mixture. Place the other meringue on top and press down gently to stick them together.

Spread the remaining cream mixture over the top layer and sprinkle the remaining berries on top.

Pick a few small mint leaves, scatter over and enjoy!

LIONS CLUB ANNUAL CHRISTMAS DINNER
FOR HANMER'S SENIOR CITIZENS

THE PARADE

Hi everybody,

The silly season is rapidly approaching so here's a few reminders around keeping yourself and your belongings safe this summer.

Home security

As always, with the increase of visitors coming to enjoy what Hanmer has to offer over the summer months, we also see an increase of undesirables and associated crime. These individuals benefit from our complacency and some simple things go a long way to reducing your odds of becoming a victim. Secure your property while you're not there, including sheds and garages. Lock your vehicles overnight and consider installing security sensor lighting or CCTV cameras to discourage people coming onto your property for a snoop around. Report any suspicious activity to Police at the time of seeing it.

Community Crime Prevention Cameras – Additional sites

The Hanmer Springs Community Trust have secured sufficient funding for the addition of seven sites to the already established Hanmer Springs Crime Prevention Camera System. Work on the additions will begin early in the new year. Thanks to the Hanmer Springs Business community that donated funds towards the project, and a massive thanks to the Hanmer Springs Community Trust who worked tirelessly to secure the extra required funding. The system is an asset to the community and the additions will only improve what we already have. As always, if you have any questions or would like to discuss the system, feel free to contact either of us and we'll happily chat with you about it.

Pesky phone scams

Sadly, these seem to have become an everyday part of life. Recently a senior member of our community received a scamming phone call to their landline phone number. Fortunately, they had the good sense to identify it for what it was and terminated the call, however it does act as a timely reminder to us all. The simple advice is, if you receive a phone call that you believe to be a scam, just hang up. If the caller alleges to be from a service provider that you subscribe to (e.g. telco or utilities provider) terminate the call and phone that provider on their listed number (not the one that was used to phone you on). You'll quickly establish whether the company was attempting to contact you or whether the call you received was a scam.

The Netsafe website ([netsafe.org.nz](https://www.netsafe.org.nz)) is a fantastic resource and has a large amount of information and advice about what scams are doing the rounds and key things to look out for to identify a phone call as a scam. In the case above, simply pressing a number on their keypad could have resulted in them becoming a victim.

Lastly, getting hold of us has never been easier. If you can't track us down at the Police station, simply call 105 (the non-emergency number) and ask to speak to whoever is working in Hanmer. If we're not immediately available to take your call, we'll be notified and get back to you as soon as possible. As always, if it's an emergency and you need an immediate response, call 111.

Keep safe out there and have a Merry Christmas.

Dave and Tim

Church Services @ Epiphany – Anglican Church (until further notice)

In order to meet the government rules under the Orange setting of covid guidelines (which are stricter than in Level 2) from Sunday 12th December all church services will be open to those who are double vaccinated. If you have been unable to download your vaccine passport as proof of this, please contact one of us for help. There will be ways we can accommodate locals as these matters work out. For those who will be unable to attend because of this, we hope to have all services live streamed and will send out details about this when they are available.
