ABC Chicken Soup

In Malaysia and Singapore, the name of this soup refers both to the simplicity of preparation and the vitamins found in its ingredients.

Ingredients

4 chicken drumsticks

2 medium potatoes, peeled and cut into chunks

4 carrots, peeled and cut into 5cm lengths

2 ears of corn, cut into 5cm lengths

1 brown onion, cut into wedges

1 tbsp fish sauce (optional)

salt and white pepper, to season

2 tomatoes, cut into wedges

Method

Step 1

Place the chicken drumsticks in a large pot and cover with cold water. Bring to a boil, then strain. Remove the drumsticks and rinse them in cold water before returning to the pot.

Step 2

Add the potatoes, carrots, corn and onion and cover with 3 litres of water. Add the fish sauce (if using) and season well with salt.

Step 3

Bring to a simmer and cook at a very low heat for 1 hour. Add the tomatoes and simmer for a further 20 minutes. Taste and add more salt, if necessary, plus white pepper to serve.

Spiced carrot and lentil soup

This is why soup exists. It is soul-restoring, simple, uses cupboard staples, is cheap and healthy. Winning on all fronts.

Ingredients

3 tbsp olive oil

2 brown onions, diced

6 cups peeled and roughly chopped carrot (about 750g)

3 tbsp roughly chopped ginger

1 tbsp garam masala (depending on the strength of your spice mix, you may like to add more)

1 tbsp cumin seeds, freshly ground

½ tbsp turmeric

250g split red lentils

1.5 litres vegetable stock

sea salt flakes, to season

1 ½ cups Greek-style yoghurt

coriander leaves, to serve

Method

Step 1

Add the olive oil, brown onion and chopped carrots to a large pot. Cook, stirring regularly, for 5 minutes or until the onion has completely softened and become fragrant.

Step 2

Add the ginger and spices and cook until fragrant. Add the lentils and vegetable stock and simmer for 20–25 minutes or until the lentils are soft and the carrot has cooked through.

Step 3

Give everything a whiz in the pot using a stick blender, then stir through the yoghurt. If you feel the soup is too thick, you can stir through a little more stock, just give the soup some time to warm through if you are adding extra liquid.

Saturday's Netball

Hanmer Netball Club

Weekly Results

Senior Team - Senior A vs Waiau A – Score 37/24 to Waiau

A slow and steady start but we kept up with Waiau throughout the first half. Talia Shadbolt, Millie Smith, & Kelly Rutherford provided excellent defence throughout the game in the defensive circle. Larissa Gavin & Melissa Smith put pressure on the circle edge resulting in rebounds and tips. Megan Williamson's great through court work feeding Ashleigh Crean and Ella Cole as they moved around the circle providing great options for the middys. Shout out to them for their shooting, pressured by great Waiau defence. Unfortunately, Waiau got away in the final quarter but credit to them for a great game. We will come back next week! Monteith's player of the day was Megan Williamson for her excellent mid court work and her pinpoint feeding into the shooting circle.

Under 14yrs Team - Hanmer Under 14's Culverden A team. – Score 31/5 Culverden A

We had a very tough game this week and it was great to see the girls using the skills they picked up from last week's friendly game against the same team. Every girl on the court stepped up and they showed a very united team effort. The score certainly doesn't reflect the game they played. The Fire and Ice most improved player was Sharnie Inglis for her use of innovative passes to try and out manoeuvre the opposition.

Future Ferns

The Future Ferns team played a great game where they worked together as a team. The defence got some good intercepts and defended well. Centre & attack moved the ball well to the goal. Shooters made some amazing shots. The Toy Shop player of the day was Te Atawhai Hepi.

Projections of greenhouse gas emissions as published on 15 December 2022

New Zealand has several greenhouse gas emissions reduction targets. They include both domestic and international targets up to the year 2050. Projections help us understand how we are tracking towards our emission reduction targets.

This page provides projections using the 100-year time horizon global warming potentials for the non-carbon dioxide gases based on the values provided in the Intergovernmental Panel on Climate Change's Fourth Assessment Report (AR4) and Fifth Assessment Report (AR5). AR5 values are provided in square brackets after the AR4 value.

Based on New Zealand's existing policies and measures:

- New Zealand's gross emissions are projected to steadily decrease from 78.8 [81.8] million tonnes of carbon dioxide equivalent (Mt CO₂-e) in 2020 to 56.4 [59.2] Mt CO₂-e in 2050. This is 13.5 [13.5] per cent below New Zealand's emissions in 1990 and 28.4 [27.6] per cent below emissions in 2020.
- New Zealand's net emissions, which includes gross emissions and emissions and removals

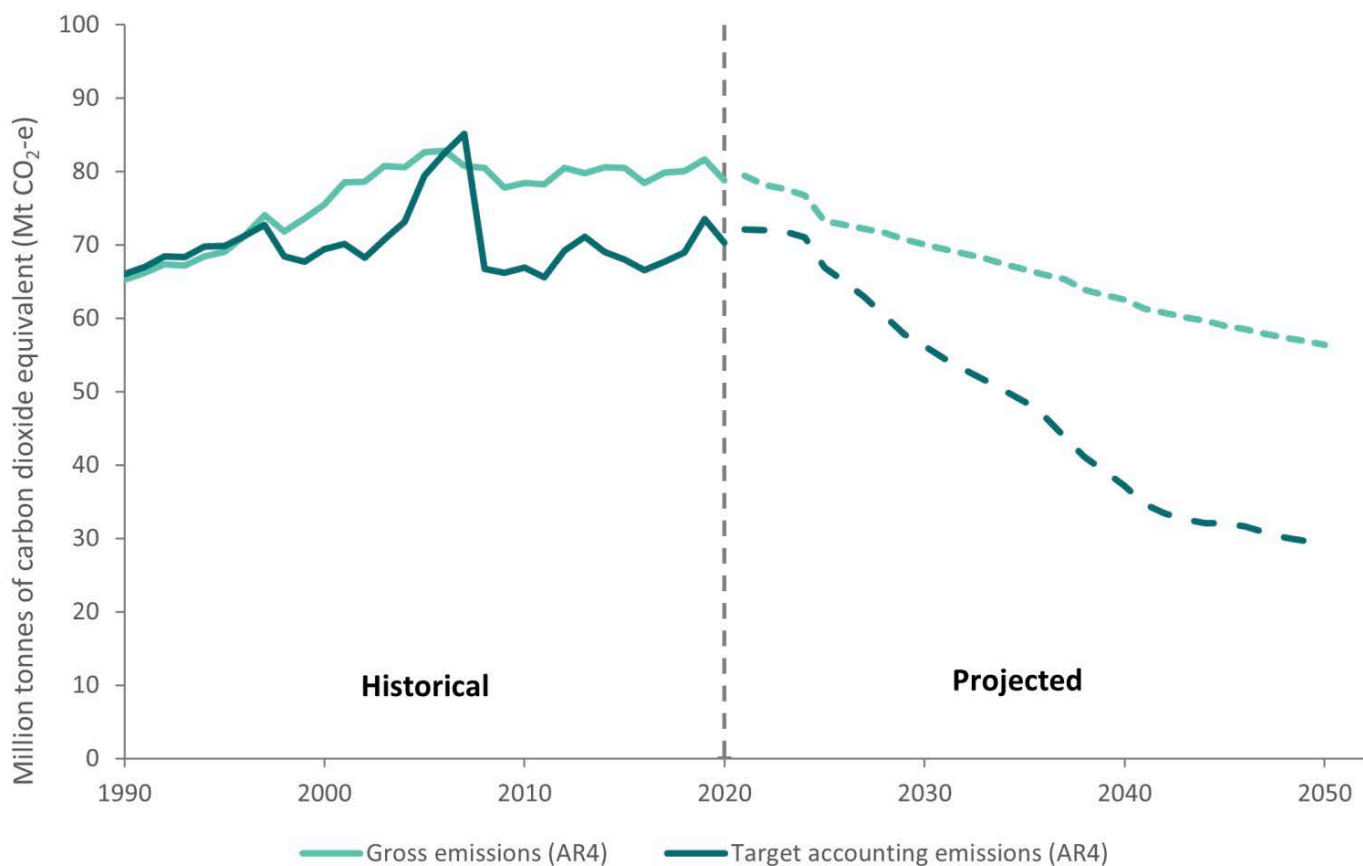

from the land-use, land-use change and forestry (LULUCF) sector, are projected to decrease from 55.5 [47.2] Mt CO₂-e in 2020 to 16.9 [19.7] Mt CO₂-e in 2050, a 69.5 [66.3] per cent reduction on 2020 levels by 2050.

- New Zealand's target accounting emissions, which includes gross emissions and a subset of emissions and removals from the LULUCF sector, are projected to decrease from 70.3 [69.2] Mt CO₂-e in 2020 to 29.1 [31.8] Mt CO₂-e in 2050, a 58.7 [56.6] per cent reduction on 2020 levels by 2050.

Emissions reductions across all sectors are driving the decrease in gross emissions. Key reasons for this decline include:

- Retirement of coal and gas-fired power plants
- Land-use change from agriculture to forestry, changes in farm management, and improvements in agricultural efficiency
- Increasing energy efficiency and electrification in transport
- Ongoing impacts of policies to reduce emissions across all sectors

Under target accounting forestry is projected to account for over half of the decrease in net emissions to 2050, in addition to the decreases in emissions across all other gross emissions sectors.

Hanmer Springs School

Pinkie Report

Term 2 Week 3

Journalists - Amelia Saric, Sharnie Inglis, Amelia Nelson, Kiara Bratschi, Charlie Bryant, Rosie Abbott.

Cross Country

We held our school cross country on Wednesday around the Hanmer Forest and Brooke Dawson Reserve. The Y7/8 students ran 3.2km, the Y5/6 2.4km, the Y4 ran 1.2km and the Y1-3 students ran 800m. Everyone in the school did a great job and we saw our students showing our school values of excellence/hiranga and resilience/pakari as they kept on trying and made it to the finish line. Our senior students supported our younger students outstandingly. Thank you to Mrs Hay for organising and to the parent helpers who were marshalls on the course. Thank you to all of the parents who came down to support us as we did our running. It is always so great seeing our whānau at these school events. The top place getters from Y4-Y8 head off to the Hurunui Cross Country in a few weeks.

The results were as follows:

<u>Year 1 Girls</u> 1st - Iris 2nd - Ruby 3rd - Raukura	<u>Year 1 Boys</u> 1st - Cally 2nd - Jax 3rd - Taylor	<u>Year 2 Girls</u> 1st - Isabelle M 2nd - Georgia 3rd - Izzy G	<u>Year 2 Boys</u> 1st - Zandi 2nd - Aaryan 3rd - Kahn
<u>Year 3 Girls</u> 1st - Ada 2nd - Katie 3rd - Bridie	<u>Year 3 Boys</u> 1st - Jonty 2nd - Remington 3rd - James	<u>Year 4 Girls</u> 1st - Eloise 2nd - Laila 3rd - Ella	<u>Year 4 Boys</u> 1st Equal - Ethan & Timmy 3rd - Sam
<u>Year 5 Girls</u> 1st - Lillie 2nd - Bella	<u>Year 5 Boys</u> 1st - Archie 2nd - Jaxson	<u>Year 6 Girls</u> 1st - Anika 2nd - Pippa 3rd - Grace	<u>Year 6 Boys</u> 1st - Jimmy 2nd - Daniel 3rd - Harrison
<u>Year 7 Girls</u> 1st - Rosie 2nd - Waitapu 3rd - Charlotte	<u>Year 7 Boys</u> 1st - Cooper 2nd - Theo 3rd - Tyrone	<u>Year 8 Girls</u> 1st - Amelia S 2nd - Charlie 3rd - Preeti	<u>Year 8 Boys</u> 1st - Noah 2nd - Blake 3rd - Levi

Debate writing

The Senior School have been busy writing a new debate topic for the next debate competition coming up next week at Ashley School. The topic is: Are Crocs better than jandals? If you are not familiar with Crocs, they are a brand of shoes with a slip on top and are quite popular. Preeti, Levi and Kiara are our new debate team for this competition. Here are some reasons from both sides of the debates that we have written:

The jandals team:

We believe jandals are superior to Crocs for several reasons. Firstly, jandals have a long history in New Zealand and are a strong feature in our Kiwiana culture. Secondly, jandals have a large variety in terms of design and cost, which makes them appealing and available to everyone. Our third reason is that Crocs are ugly and who would want to be seen wearing them. For these reasons we believe jandals are better than Crocs.

The Crocs team:

We believe Crocs are superior to jandals because they are comfortable. The material that Crocs are made from moulds to your feet so it makes Crocs more comfortable. They are also good for nurses and doctors who work long hours walking on hard floors. There are lots of uses for them like taking them tramping and hunting and using them as rock shoes. They are lightweight, waterproof and easy to clean, they are even dishwasher safe! Crocs come in over 35 different colours and you can decorate them with Jibbitz to make them look really fashionable. Crocs last way longer than jandals because the toe hole doesn't fall out and break. With proper care Crocs can last between 5 and 10 years. Crocs have a hard wearing sole which means that they last longer than jandals. These reasons are why we believe that Crocs are more superior than jandals.

Dr P Chisholm with the Prime Minister G. W. Forbes and Mrs Forbes 1932

Please let us know if you have any events on between now and the end of the year as this calendar is frequently consulted

hsvillagenews@xtra.co.nz

Richard Away

About three and a bit years since he booked a holiday in Vietnam that got squashed by Covid, your editor is finally able to get there to take a long overdue holiday. Richard will be reporting fortnightly to the Pinkie from S E Asia..

Meantime The Pinkie will continue as usual with Barrie Clubb taking over the reins until Richard's return in mid August.

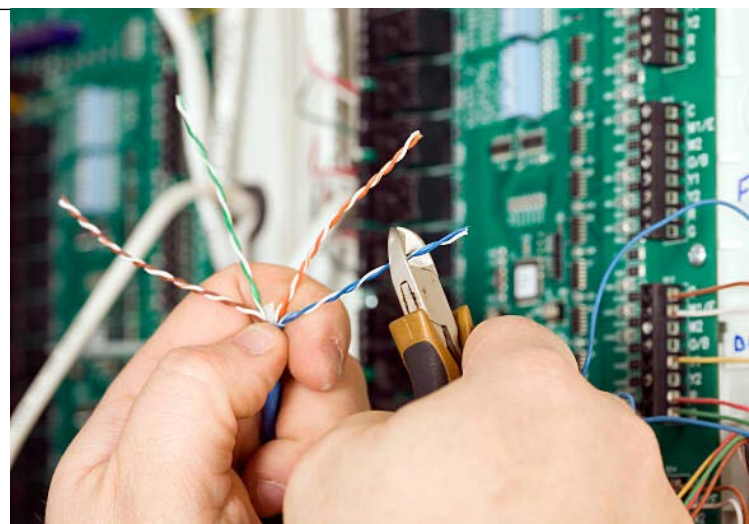

Please use hsvillagenews@xtra.co.nz and not the website address when contacting

Computer Repair Man

We have managed to find an IT man who works in the Waikari/Harwarden neighbourhood. We have been in touch and he is going to send us his contact details so that people from Hanmer can call on him.

More on this next week., but we can tell you that he will only want to come up on one day a week or when he has appointments. We have to figure out a way of making it easy for him.

Dear HSHR members
You are all invited to the
Hanmer Springs Horse Riders
AGM

on Saturday, 20th May 2023 at 7pm
at the Powerhouse Cafe in Hanmer.

If you are interested in a position in the
committee, please let us know
by replying to this.

Please bring a plate of food to share and please let us
know if you are coming or not.

Looking forward to a great evening.
cheers Bele (secretary)

USE 105 FOR POLICE NON-EMERGENCIES

Fire, Ambulance and Police Dial 111

Know your Plastic Codes as In Hurunui 1, 2 and 5 ONLY can be Recycled

HANMER SPRINGS TRANSFER STATION
637 Hanmer Springs Road

- Tuesday: 10am to 2.00pm
- Wednesday: 10am to 2.00pm
- Friday: 10am to 2.00 pm
- Sunday : 10am to 2.00 pm

Out of hours recycling facilities for paper, card, cans, plastics types 1, 2 & 5 only and glass bottles are provided; please ensure recycling is clean, loose and all lids are removed. Soft plastics (i.e. those you can scrunch in your hand) are not recyclable and must be placed in the refuse.

Kerbside refuse and recycling collection – Monday 8am

Only official refuse and recycling bags will be collected; these can be purchased from Hanmer Springs Service Station and the library.

Via the recycling bags clean paper, card, cans and plastics types 1, 2 & 5 only can be recycled.

If in doubt – place it in the refuse to save contaminating recycling.

Non complying bags and recycling bags containing glass and soft plastics will not be collected.

Symbol	Acronym	Full name and uses
	PET	Polyethylene terephthalate - Fizzy drink bottles and frozen ready meal packages.
	HDPE	High-density polyethylene - Milk and washing-up liquid bottles
	PVC	Polyvinyl chloride - Food trays, cling film, bottles for squash, mineral water and shampoo.
	LDPE	Low density polyethylene - Carrier bags and bin liners.
	PP	Polypropylene - Margarine tubs, microwaveable meal trays.
	PS	Polystyrene - Yoghurt pots, foam meat or fish trays, hamburger boxes and egg cartons, vending cups, plastic cutlery, protective packaging for electronic goods and toys.
	Other	Any other plastics that do not fall into any of the above categories. For example melamine, often used in plastic plates and cups.

Please Note that HDC garbage & recycling bags are no longer available from the Four Square supermarket . Henceforth, bags will only be available from Hanmer Springs Service Station, the

By becoming a member, you not only support this great non-profit initiative, but you also get to vote on future upcoming titles.

The Liability – Friday 19 May 6.40pm

The Liability is a British black comedy crime-thriller film directed by Craig Viveiros and written by John Wrathall. The film stars Tim Roth, Talulah Riley, Jack O'Connell and Peter Mullan.

It's about a young and naive 19-year-old slacker, Adam, who lives with his mum in the home of her intimidating gangster boyfriend, Peter. After crashing the family car and posting the crash on social media, Adam is confronted by Peter to face the music. While waiting, he snoops and inadvertently views an incriminating video on Peter's laptop.

Peter sends Adam, as partial reparation for the car damage, to conduct a day of driving for his associate. This takes Adam on the road with aging hitman, Roy... from there, it all gets complex.
