## FEEDBACK

WE certainly got a lot of feedback about power cuts. When we asked for your opinion on the two second power cuts that we were experiencing, usually in the middle of the night, we got 17 replies, with problems ranging from computer damage, to automatic garage doors opening and staying open when people were away, to a motel booking system needing hours to be reinstated. And we know we experienced serious computer problems with the Pinkie system. It seems to many that these cuts (another one Friday night when the village was full for the weekend was the last straw). Mainpower don't want to take any responsibility but frankly it's time they did.

## HANMER SPRINGS FOODBANK

Did you know there is a "Foodbank" in Hanmer Springs that has funds available to help those that are struggling at the moment. This Foodbank money has been made available from generous donations by the Hanmer Springs community. A Four Square grocery voucher will be given to those eligible. If you, or you know someone that lives in the Hanmer Springs community that may be eligible please email:

[hscommunitytrust@gmail.com](mailto:hscommunitytrust@gmail.com)

and we will send you an application form. All applicants will be held in strict confidence. Or, perhaps you may like to make a donation to help those less fortunate. A suggestion could be that you round up your next Hanmer Springs Four Square shop by making a monetary donation to the Foodbank account? Please ask the friendly checkout operator next time you are shopping.

## zucchini and halloumi fritters

Take advantage of plentiful courgettes/zucchini this year.

### INGREDIENTS

450g (about 3) zucchini  
 100g halloumi, coarsely grated  
 2 eschalots (French shallots), finely chopped  
 handful dill fronds, finely chopped, plus extra to serve (or parsley or coriander)  
 ½ tsp dried mint  
 60g plain flour  
 1 egg, lightly beaten  
 extra virgin olive oil, for frying  
 sea salt and black pepper  
 lemon wedges, to serve

### Garlic yoghurt

200g full-fat natural yoghurt  
 1 small garlic clove, finely grated  
 1 tbsp extra virgin olive oil  
 sea salt and black pepper

### METHOD

For the garlic yoghurt, combine the ingredients in a bowl and season to taste. Set aside.

Grate the zucchini on the coarse side of a box grater and place in a colander with a good pinch of salt. Toss to coat and allow to sit for 10 minutes. Squeeze the excess liquid from the zucchini and dry it thoroughly on absorbent paper or a clean tea towel. Transfer to a large bowl along with the halloumi, shallots, dill, dried mint, flour and egg. Season with black pepper and a touch of salt and gently mix to combine.

Heat some olive oil in a frying pan over a medium-high heat and place heaped tablespoons of the mixture into the oil. Cook the fritters in batches, so as not to overcrowd the pan, until golden (around 2 minutes). Flip, gently flatten and cook on the other side for another 2 minutes or until golden. Transfer to absorbent paper to drain. Repeat with the remaining mixture, wiping the pan clean and adding more oil as needed. Season with sea salt and serve the fritters hot with the garlic yoghurt, extra dill fronds and lemon wedges.

Makes about 18 small fritters

## Melon and Ham (but not as you know it)

Turning that summer antipasto into more of a salad situation is a win

### Ingredients

200g thinly sliced prosciutto (check gluten-free if required), at room temperature  
 2 balls mozzarella, at room temperature  
 ¼ large rockmelon, peeled, seeds removed, evenly sliced  
 ¼ large honeydew melon, peeled, seeds removed, evenly sliced  
 fennel fronds (if cooking [the porchetta](#), use the reserved fronds)  
 seeds from 1 pomegranate

### DRESSING

1 garlic clove, crushed  
 ¼ cup extra virgin olive oil  
 1 generous tbsp sweet balsamic vincotto (or balsamic glaze)  
 zest and juice of ½ lemon

### Method

#### Step 1

Combine the dressing ingredients in a bowl and set aside.

#### Step 2

Cut each slice of melon in half and wrap with a slice of prosciutto. Place in a large serving bowl or platter. Add the two balls of burrata and any leftover slices of prosciutto. Scoop the pomegranate arils into any gaps on the plate and scatter with fennel fronds. Season generously with salt and pepper and spoon over the dressing.

Note - the original recipe calls for burrata a fresh Italian cheese but you can use mozzarella as a substitute.

To make this dish really sing, make sure the prosciutto and burrata are not fridge-cold. You want that contrast of indulgent cheese and soft ham with the crunch of the melon.

This dish also lends itself to a few freshly cooked and peeled prawns

# NAME OF HANMER TOWNSHIP NO RECONSIDERATION OF CHANGE

(From Our Parliamentary Reporter)

WELLINGTON, November 9, 1951

The decision to change the name of Hanmer Springs to Hanmer could not be reconsidered, as all formalities had been complied with, and the final decision gazetted, said the Minister of Lands (Mr E. B. Corbett), in reply to representations by Mr W. H. Gillespie, member of Parliament for Hurunui.

Mr Gillespie asked that the township should continue to be called Hanmer Springs. He said many people had made representations to him asking for a reversion to the old name.

The original subdivision near the springs area was part of a larger block known as the Hanmer Plains Reserve, and in official records was referred to by both names, replied the Minister. The name used on departmental maps for many years had been Hanmer.

The Lands and Survey Department asked for clarification some years ago, and in 1939 the honorary Geographic Board decided on Hanmer, said the Minister. On the reconstitution of the Geographic Board in 1946, the decisions of the honorary board were officially adopted. Several objections were received, but the board decided that Hanmer was the more practical name.

### Board of Trustee minute taker

Hanmer Springs School, South Island

#### Board minute taker, contract

We seek a thorough, efficient, organised person to take minutes during school board meetings. There are 8 to 10 meetings per year, for a duration of (approximately) 3 hours. Your main task is to accurately record details of meetings, and then prepare minutes for signing, distribution and filing. Other tasks include, setting an agenda with the Board Presiding Member, preparing paperwork and arranging supper.

The successful applicant will have an interest in education and have a good working knowledge of MS Word and the Google drive. The ability to work well in a team is important, as are high levels of confidentiality.

If this sounds like you, please email John McBride at [principal@hanmersprings.school.nz](mailto:principal@hanmersprings.school.nz) expressing your interest and providing your CV.

**Applications close at 3pm on 20th February, 2024**

All applicants must have NZ Residency or a valid NZ work visa. All school employees/contractors are police vetted.

# Heritage Forest Needs Help With Working Bees

The Hanmer Heritage Forest Trust looks after the public values of the Heritage Forest like trail maintenance, signage, the sculptures and the map brochure. The trust has seven members who work voluntarily. The forest is looking great and is enjoyed by all.

However, the small redwoods in the cleared section of the Forest Amble are becoming overgrown with weeds and need to be released. Weeds also need to be cleared away from the track. The trust members would appreciate some assistance with this in the form of working bees. It is not difficult work and just bring along hand tools like pruners and clippers (and gloves!)

The first working bee is on Saturday 2<sup>nd</sup> March. Meet 8.30am at the Forest Main Entrance or if running late then walk to the site on the Forest Amble.

The second working bee will be on Saturday 23<sup>rd</sup> March and a reminder will be sent out via the Village News and Facebook.

Thank you in anticipation.

## Pinkie Report

### Term 1 Week 4.

Journalists and reporters - Sharnie Inglis, Rose Abbott

#### School Swimming Sports.

On Monday we held our Y4-8 school swimming sports at the Thermal Pools. The events we had were freestyle, backstroke, breaststroke, butterfly and the medley. We had 50 metre competitive events and 25 metre non-competitive events. It was a fun day and everyone swam well. It was good seeing some of our less confident swimmers giving the 25 metre races a go. They showed our school value of resilience. The junior school came down to watch us and support us in our races. Thank you to Mrs Hay for organising the swimming sports and to Mr McBride, Mrs Brett, Carol and Tori for helping during the event. Thank you to the Thermal Pools for hosting our event and to Chantelle, Bobby and the other lifeguards for helping us. Our first and second place winners now head off to the Hurunui swimming sports in a few weeks time.

Our overall place winners for each year group are as follows:

|                       |                        |
|-----------------------|------------------------|
| Year 4 girls - Bridie | Year 4 boys - Jonty    |
| Year 5 girls - Aaliya | Year 5 boys - Timmy    |
| Year 6 girls - Bella  | Year 6 boys - Archie   |
| Year 7 girls - Pippa  | Year 7 boys - Harrison |
| Year 8 girls - Rosie  | Year 8 boys - Cooper   |

#### WaiSwim.

This week we have been going to the Thermal Pools every day for swimming lessons with WaiSwim instructors. In the senior school we have been learning how to be safe in the water, practising how to stay afloat in deep water and becoming more comfortable getting on and off foam rafts. The middle school has been learning how to enter and exit the pool safely. In the deep pool they learnt to "monkey" from the deep end to the shallow end. This was called monkey because they had to cling to the side of the pool and pull themselves along. They have been practising getting on and off a foam raft and swimming under it. The junior school have been learning to float on their backs to keep themselves safe. They have learnt how to crawl across and under the big foam mat. They have been learning how to get in and out of the pool safely and have learnt how to go into the deep pool. They "pencilled" into the water. This where you stand on the side really straight like a pencil and step into the water. They also got to dive down to get sinky sticks and keys from the bottom of the pool.

New soccer nets.

The school has been gifted new soccer goals with nets. We are very grateful to Markus Grimm and Eva Leuwer Grimm from Bachcare for this wonderful new equipment. We have used them for our parents/staff versus students soccer game on Friday. It was a fun game and each team played well. There were some great soccer skills shown by both the adults and the students and some fantastic goal saving at both ends. In the end it was a 5-5 draw. Well done to everyone who played.

Tui class artwork.

The Y2/3 students in Tui class shared their tui artwork with us at assembly on Friday.

“I can still fit in my earrings that I had when I was 18”

This was one of the many hilarious lines from Motherhood I had the pleasure of attending last Friday night. I have to say the acting, singing and harmonies were truly brilliant. Had I not known the cast I would have thought it was a professional performance. From start to finish it had a packed audience enthralled and in stitches. A huge congratulations and thanks to everyone who participated in such a wonderful night out. And the venue was fantastic too. I hope we see more events in The Hanmer Springs Hotel ballroom.

I would also like to express my gratitude and thanks to FENZ for their huge efforts to contain our fires recently. We are all nervous about a fire in Hanmer, but it is great to know there are many volunteers out their looking out for us. Let us not forget the helicopter pilots, numerous volunteers from Hanmer, who assisted with the efforts to keep us Thank you most sincerely.

I had the pleasure of visiting and enjoying a cuppa with the MenzShed the other day. What great work they do making toys, bird feeders, benches for the pools, splitting firewood, and so much more. Some wonderful characters and lots of history too. I am sure I will become a regular visitor.

Good luck to Peter Daley, Mark Inglis and Maria Lyftogt in their efforts to get The Hanmer Springs ParkRun off the ground. This will be a huge attraction to visitors and residents of our village. I look forward to participating and assisting the team. The course will probably be one of the best in NZ.

Litter seems to have become a problem recently. I cannot walk past rubbish carelessly and often deliberately discarded in our village and environs. Please lets get on to this problem and call out those who mess up our beautiful village. We should all care for our little slice of paradise.

I am loving the humour that has crept into the Hanmer Facebook pages, so much better than the negativity that sometimes creeps in.

And a huge thank you for Motorfest. What a fantastic event for Hanmer. Love it.

I look forward to seeing may of you at the Mainpower discussion and presentation in The Library, 5pm Wed March 6<sup>th</sup>. I want to hear about the planned improvements, upgrades and reasons for the many outages we have suffered this summer. I am sure you do too.

If you want help or advice or want to find out about anything I am happy to try to help. And if you see something positive, or know of an event worth sharing please do not hesitate to contact me.
