To give you the best protection this winter, make sure you and your whānau are up to date with all your vaccinations and, if eligible, your COVID-19 booster

Welcome our New Nurse! 😊

We are thrilled to introduce our newest team member, Joanna, who joins the Hanmer Springs Health Centre as a Practice Nurse.

She will be working alongside our other nurses and also be running our FLU clinic, which starts next week.

We asked Joanna to share a few words to introduce herself. This is what she said:

"My name is Joanna - most people call me Jo. I've recently moved to Hanmer with my husband, Steve. We have been in New Zealand for 16 years, and most of that time was spent living in the Nelson region. We have 4 adult children, 2 gorgeous grandsons, a couple of golden retrievers and a few alpacas - all of which keep us busy!

I am a Practice Nurse and looking forward to getting to know some of you while working in your lovely community.

Outside of work I love my garden and am most content in a pair of gum boots. I am always happy to put on a pair of skis or tramping boots, or go for a bike ride."

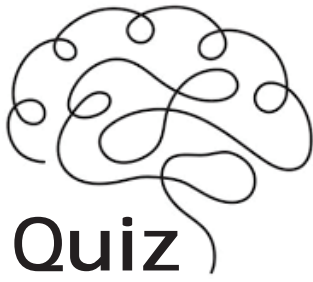

Prostate Foundation support group in Rangiora on 2nd Tuesday of each month. Contact Dean and Lois on 02102246078 or email rangiora@prostate.org.nz For more info on services and support for prostate and testicular cancer www.prostate.org.nz Now meeting at the War Memorial Hall, 1 Albert Street, Rangiora.

Sweet Louise Support for those with advanced breast cancer. Contact: Ashleigh 0273288003 or go to website sweetlouise.co.nz Now offering a monthly coffee & support group in Rangiora

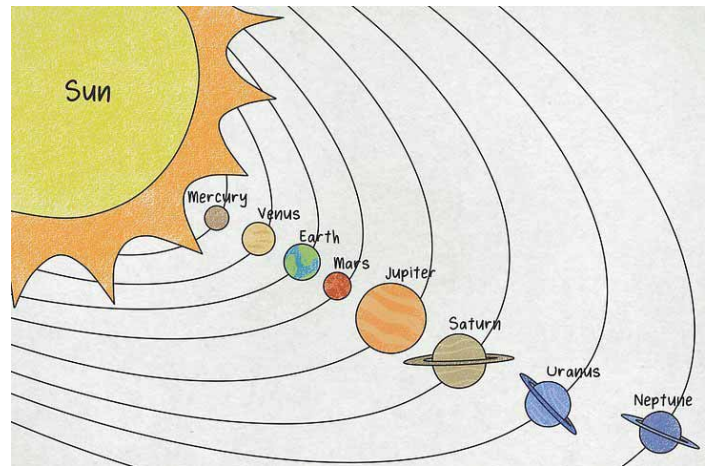

If you call our clinic phone out of hours, your call is always answered by a registered nurse who will assess your needs, offer advice or, if required, pass the call to our on-call clinician. It can take several minutes to answer the phone so please be patient and hold, and follow the voice prompts carefully. If you are seen by the on-call clinician there is a \$25 after-hours call out fee on top of the consultation fee.

IN AN EMERGENCY DIAL 111

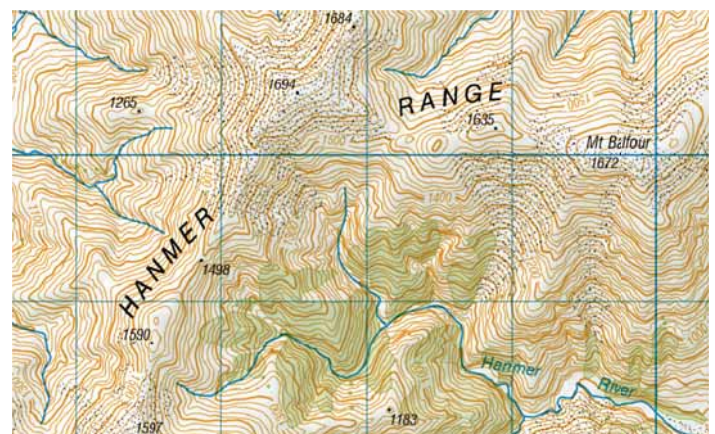

Trivia

1. What is the radius of our earth?
A. 6,371 km. B. 8,587 km. C. 12,619km
2. What is the radius of the earth's moon?
A. 1,317km. B. 1,737 km. C. 2,987 km
3. What is the radius of our Sun?
A. 255,120 km
B. 446,460 km
C. 696,340 km
D. 892,920 km
4. What is the name of the illuminated glowworm cave found in the North Island?
5. New Zealand is famous for its Great Walks. In which year was the network of trails first established?
A. 1962
B. 1972
C. 1982
D. 1992
6. New Zealand's iconic red cable car is found in which city?
7. Which river in New Zealand was the world's first river to be granted personhood (the same rights as a person)?
8. Over \$30,000 has been raised for breast cancer research via a donation box attached to a Cardona, New Zealand, fence decorated with a collection of what clothing article?
9. What is the name of the peninsula, extending north from the western end of the Bay Of Plenty, that forms a natural barrier that protects Hauraki Gulf and the Firth of Thames from the Pacific Ocean?
10. New Zealand is known for its Kiwifruit, which is one of the nation's major agricultural exports today. Which Asian nation are these gooseberries actually native to?
11. What is the "A" type of spirit which suggests Australian and New Zealand soldiers possess shared characteristics? The term rose in popularity based on soldiers' actions on the battlefields of World War I.

12. What is the body of water that borders Auckland to its west?
13. Fitting for the home of Fred Dagg, a large corrugated iron statue of what item of clothing can be found on the outskirts of Taihape?
14. Under the command of French explorer, Jules Sébastien César Dumont d'Urville, what was the name of the sailing ship that was used to explore the Tasman Bay and Admiralty Bay areas in 1827?
15. The official New Zealand coat of arms includes a Maori Chieftain and a European woman. What colour is the ta moko (permanent face marking) and the earring on the Chieftain?
16. What reptilian suborder of animals, often associated with the Australian outback, has no species living in New Zealand?
17. Separated by 36km, as the crow flies, in what direction is Boyle Village from Hanmer Springs?
18. The Hanmer Springs Ski Area is on the eastern flank of what range?
19. Mount Lyford Skifield lies on the south western end of the Amuri Range. What is the name of the mountain that shadows the skifield each morning?
20. What is the name of the mountain, visible from Hanmer Springs, that defines the southern end of the Hanmer Range; the range that lies between the Hanmer and Clarence Rivers?

A midweek favourite

Steak with store-bought crispy chilli oil and simple sides

Ingredients

- **Chilli crisp steak**
- 2 x 300g beef scotch fillet steaks (see note below)
- 2 tsp vegetable oil, for cooking
- 1/2 tsp cooking salt
- 1/2 tsp freshly cracked black pepper
- Lao Gan Ma crispy chilli oil (see image below)

SIDE DISHES

- 8 baby potatoes
- 25g unsalted butter, melted
- pinch of roughly chopped parsley leaves to garnish, optional
- 1 bunch of asparagus, woody ends snapped off

Note

If time permits, season your steak with salt and pepper, place on a rack set over a tray or plate, and leave it uncovered in the fridge overnight. Aside from improving the flavour, this will dry out the surface, giving your steak a superior crust when it cooks.

Method

- **Step 1**
Take the steak out of the fridge. (See note below about salting overnight.) Pat the surface dry with a paper towel then leave the steak on the counter for 1 hour to remove the chill. This will help it cook more evenly.
- **Step 2**
Put the potatoes in a large saucepan and cover with 5cm of water. Add 1 teaspoon of salt. Bring to a boil over high heat, reduce the heat to medium-high, and cook for 12-15 minutes or until the potatoes are soft all the way through. Drain in a colander, transfer to a bowl, and crush them lightly with a fork so they burst open slightly. Drizzle with butter, sprinkle with salt, pepper and parsley, if using, then gently toss and keep warm until you're ready to serve.
- **Step 3**
Preheat a dry cast-iron frying pan on high heat until it is smoking hot (look for wisps of smoke). Do not put oil in the pan or use a non-stick pan (you'll destroy it).
- **Step 4**
Meanwhile, drizzle the oil on the steak and rub it all over, then sprinkle with salt and pepper.
- **Step 5**
Place the steaks in the pan and cook the first side for 2-5 minutes or until a deep golden-brown crust forms. Turn and cook the other side for 2 minutes or until the steak's internal temperature reaches 51C (medium-rare) – see note for other levels of doneness.
- **Step 6**
Remove the steaks from the pan and rest for 5 minutes on a rack over a plate (this prevents the bottom from becoming "sweaty"). The internal temperature will rise to 56C. Cut the steaks into thick slices.
- **Step 7**
While the steaks are resting, add the asparagus to the still-hot pan over high heat. Toss for 2 to 3 minutes or until tender-crisp. The residual oil, salt and pepper will season the asparagus.
- **Step 8**
To serve, divide the steak slices among two plates and place the potatoes and asparagus alongside. Dollop as much chilli crisp as you want across the steak. Then dig in!

Hanmer Springs Bowling Club News ...

Rachael & Reece, from *The Pinkie*, had the pleasure of being invited to the final of the Hanmer Springs Bowling Club Twilight/Business House league. The league started on Thursday 25 January 2024 and had fortnightly games, culminating with the final on Thursday 4 April 2024.

"We were blown-away by the number of local people playing [in the league] ... I have never seen community engagement like this in Hanmer Springs ... it was fantastic!", said Reece.

Twilight League Final Report

By Steve Hutchby

The final Twilight for this summer was held on Thursday 4th April. We have been very fortunate with the weather being near perfect for the 6 nights of competition.

Another excellent turnout for the final with 12 teams battling for both the last night's titles and the Overall Winners.

The standard of bowls played is so much better than when everyone started back in January, perhaps there has been some practice taking place.

There were two big improvers this week, "Blind Fury" who came third and "Schoolies" who were second. But the winner for the night was "Rustic Cafe"; another solid night's performance.

The Overall results across the 6 nights, and the prizes, were:-

- 1st Rustic Cafe - \$90
- 2nd Up The Garden Path - \$60
- 3rd Monteith's HS - \$30

The Harris Farms sausage sizzle was popular as ever, with Merv Sutherland wearing the Chef's hat!

It was obvious that everyone enjoyed themselves and all appear keen to give it another go next year.

Hanmer Landscapes :: Andrew Brown, Sharon Brown, Robin Cook

Overall winners; Rustic Cafe
(L to R) Durham Frewin, Stacey Inglis, Zane Inglis

Monteiths Bubbles :: Nicky McNabb, Vicky Phillips, Megan Higgs

Monteiths Hanmer Springs :: Kimble Rawson, Peter (Golfy) Wilson & Neville Still

House for Sale, North Canterbury

Two double bedrooms and sunroom

1½ bathrooms

Established gardens

0.617 ha (1½ acres) in two titles.

Contact owner to arrange viewing

021 237-6915

There's a lot happening in Hurunui

There's talk on the "street" that the Hurunui District Council (our representatives) are going to cut down some trees on Ripplingale Road and Lochiel Drive. The trees are obstructing the "city-bright" street lights.

I understand it costs \$500 to cut down a tree and \$7,500 to move a street light. The costs don't really take into account the value of time. These trees have taken many years to grow. In addition, the cost does not take into account the amenity value of these beautiful trees.

I'm hoping Councillor Tom Davies will go in to bat for the residents of Hanmer Springs that love trees. I'm guessing that's most of us.

On the right is a TXT message exchange between Cr Tom Davies and a local resident.

It took men and women of vision to create Hagley Park in Christchurch.

Christchurch City Council value trees so much they are almost impossible to remove from any road reserve. Even trees that are malformed as a result of being in close proximity to one another. No, they can't be removed either.

Ian McAulay was responsible for the Lochiel Drive subdivision.

Ian had vision.

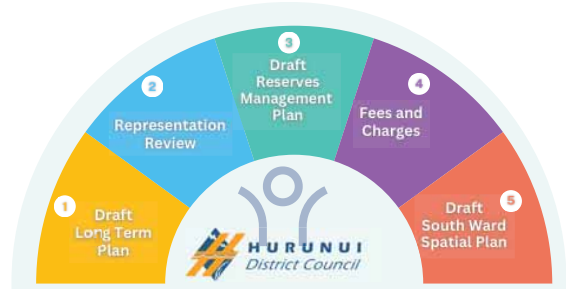

Hi John
At the Community Board yesterday they decided to remove your tree. The cost difference between removal of the tree or moving the lamp post was just too great. We are facing huge debts and this was a consequence. We lose 3 trees on Ripplingale sadly. Tom

Thanks for letting me know Tom
That is extremely upsetting

Approx 7500 to move the pole and 500 to remove the tree!!! Ratepayers money. And 5 trees nearby need doing and it becomes a real burden. Sorry. I tried.

Thanks
A suggestion: why not do nothing and save 500 ratepayer dollars? Is there any justification for spending that \$500?

Hurunui District Council wants to hear from the community on a range of topics

Have Your Say

For information and to make a submission please go to www.hurunui.govt.nz/have-your-say/consultations or pop into any Hurunui Council service centre or library.

- Public meetings: **Hanmer Springs Library** on Wednesday 10 April at 6.30pm and at the **Cheviot Knox Community Centre** on Monday 15 April at 6.30pm.
- Amberley Farmers' Market and Hanmer Springs Village Market.

HANMER SPRINGS FOODBANK

Did you know there is a "Foodbank" in Hanmer Springs that has funds available to help those that are struggling.

The foodbank fund has resulted from many generous donations by individuals and businesses in the Hanmer Springs community.

If you, or anyone you know, are struggling please email:

hscommunitytrust@gmail.com

Applications for assistance will be treated in the strictest confidence. Eligible resident applicants will be given a Four Square grocery voucher.

Donations may be made at the Hanmer Springs Four Square.

Every
Donation
Makes A
Difference

ANZAC DAY Refuse and Recycling – Hanmer Springs

All transfer stations will be closed on ANZAC DAY, Thursday 25 April 2024.

The Amberley Transfer Station will be open from 10am to 4pm on Tuesday 23 April 2024.

The refuse and recycling collection days in Hanmer Springs will not change. Collections running as normal on a Monday.

For further information on waste and recycling in Hurunui, visit www.hurunui.govt.nz

UPCOMING POWER OUTAGE.

WHY?

The focus of this outage is to install a temporary 60 metre long 'interrupter cable.' The cable will enable Transpower to work on their transmission lines at the Waiiau Ferry Bridge without needing a multi-day outage to the area.

To minimise further planned outages in Hanmer Springs, we will also be carrying out additional work in the area, including pole replacements and general maintenance activities.

WHEN?

Tuesday 14th May from 11am - 4pm, to remove the cable.

Alternative date will be May 21st.

Sports NZ Rural Travel Fund

Open for applications now, the fund is available to assist young people in rural communities to participate in sporting competitions.

The fund is open to all rural sport club teams and rural school sport teams who have members aged between five and 19.

This Fund is designed to subsidise travel costs to local sporting competitions.

This Fund should not be used for the purpose of travel to regional or national events, and is for teams only, not individuals.

Applications close on Monday 15 April.

Please visit

<https://www.hurunui.govt.nz/community/awards-and-funding/sport-nz-rural-travel-fund> for more information.

Rainbow Possum Control Notice

2024 RAINBOW AERIAL POSSUM CONTROL OPERATION

Vector Free Marlborough (VFM) wishes to advise the public of its intention to aerially apply the toxin Sodium fluoroacetate (1080) to the Rainbow area for the purpose of controlling possums. The Rainbow operation is being carried out on behalf of OSPRI as part of its TBfree New Zealand programme, which aims to eradicate bovine tuberculosis from wildlife vectors that pose a risk to farmed cattle and deer.

Description of Area

The permission area for the 2024 Rainbow possum control operation takes in land in the upper Wairau catchment, from the vicinity of Lake Sedgemere downstream to Bull Paddock Flat approximately 5km east of St Arnaud Village. The eastern boundary mostly follows the St Arnaud Range and the edge of Nelson Lakes National Park. In the west the boundary mostly follows the Raglan Range and abuts Molesworth Station.

Public Access & Recreational Facilities

Rainbow road, Wairau – Hanmer Springs Hydro road, Rainbow ski field road, Bull Paddock creek track, Ronan's stream track, Hamilton river route, Lee's creek track and hut, Connor's creek route and hut, Paske route and hut, Begley route and hut, Dip Flat RNZAF training camp, and Coldwater camping ground are all within the treatment area. Public access to these facilities will be restricted while the aerial application of toxic bait takes place and afterwards until they have been inspected and cleared of most toxic baits.

Toxin warning signs will be in place at all track entrances immediately prior to the application of toxic bait. Advisory signage will also be installed at key sites prior to non-toxic prefeed application.

Commencement Date

Subject to favourable weather, control is planned to commence from mid-April 2024, with the aerial application of non-toxic, cereal pre-feed pellets. This will be followed approximately 7-10 days later by the aerial application of bait containing biodegradable sodium fluoroacetate (1080).

All work is weather dependent, and commencement may be later than indicated. In the event of an extended delay, further notices will be placed to advise the public.

Bait Description

Aerial control using 1080:

- Pre-feed - Non-toxic cereal-based pellet, approximately 16 mm long, cinnamon-lured, and non-dyed (sandy coloured).
- Toxic bait - Cereal-based pellet, approximately 16 mm long, cinnamon-lured, and dyed green with a toxic loading of 0.15% Sodium fluoroacetate (1080).

The aerial operation will use helicopters equipped with Global Positioning System (GPS) hardware and calibrated buckets to ensure accurate placement.

Precautions

The pesticide is poisonous to humans and domestic animals. The public are reminded of the danger that toxic baits and possum carcasses pose, particularly to children and dogs.

• DO NOT TOUCH OR EAT BAITS

- Children must be kept under strict supervision in the control area
- Dogs must be kept under strict control at all times and not have access to, or be taken into, the control area, as they are particularly susceptible to harm from contact with toxic baits and poisoned carcasses. The risk that poisoned carcasses pose to dogs may extend downstream of the control area.

- Toxin warning signs will be installed at main public entry points and the public are reminded that it is an offence to remove this warning signage. Please follow the instructions on the signs.
- Game animals should not be sold or taken for eating from within or adjacent to this area until it is declared clear of pesticides.

If you suspect poisoning

Contact your local hospital, or dial 111
National Poisons Centre 0800 POISON - 0800 764 766

- In the case of a domestic animal being poisoned, contact a local veterinarian

Journalists and reporters - Waitapu Hepi, Aaliya Cameron, Bridie Roborgh, Rosie Abbott and Anika Duncan

Pitt Island Holiday by Waitapu Hepi.

Tuesday 12th March. My Mum, Sisters Raukura and Te Atawhai, and I flew to the Chatham Islands for a three week holiday. We flew from Christchurch airport to Tuuta airport (Chatham Islands). We stayed at my Uncle Jymy And Auntie Tashs' with our cousins Honor and Saylor. The next day we woke up at 6am to catch a fishing boat to Pitt Island. Mum's cousins Tyrone and Travis were the Skipper and Deckhand. Mum was the only person to get sick on the ride over. She hates boats. My Grandad came and picked us all up and took us to his house to collect the stores we had shipped over before us. All the roads on Pitt are cut from clay, there is no tarseal or gravel so when it rains it gets very muddy and slippery.

On Wednesday afternoon we got dropped off at Glory Bay with my Auntie Pepi, her partner Jamie, my Auntie Rennae, her partner Luke and my cousins Haylie and Morgan. Glory Bay is named after a 100 ton Sealing Brig that wrecked in 1827. Surviving crew saved what they could including one of the ship's boats. The captain and a small crew sailed and rowed 1280 km from Glory Bay to Kororareka (Russell) in the Bay of Islands for help. In the early 1860's The Glory Cottage was built for shepherds. The Cottage is still standing and is now a Historic Site looked after by D.O.C. and available as a camping hut used by locals. Me, my sisters, and cousins slept in the attic while Mum slept in a tent. Everyday my Aunties would go for a dive while we fished off the rocks.

On Sunday 17th my Grandad, his partner Tash, her daughter Manaia, Uncles Hamish, Bernard, Billy, Tim and Ethan, Auntie Tommi, Kane and Mikayla, Granny, and half the Island population came to Glory for a BBQ. We killed a beef on day one and caught eels off the Waipaua Bridge. We fished with hand lines from the wharf and rode in the ute boot. I found a cattle skull and tried to bring it home. Mum said no. We spent our last week attending Pitt Island School. I stayed at Grandads and my sisters stayed with Uncle Billy and Auntie Nic (our Teacher/Principal). Pitt Island School has a current role of 7 pupils and their school day runs from 9am to 2:30pm.

On Easter Monday we were supposed to fly from Pitt to Chathams but the weather was so foggy we could not get a plane. Tuesday morning the weather cleared up in time for us to catch the flight to Chathams and we were the last passengers to check in for our Air Chathams flight back to Christchurch where my dad was waiting for us. It was boring some of the time but I also would want to go back...

PPPs.

On Wednesday after school we had our PPPs (Parent, Pupil, Presentations) where we shared our learning with our parents.

First we introduced our parents to the teacher, it was really embarrassing because I'm shy. I showed my parents 2 things I was excellent at in my books. I gave them my writing and my reading book to look at. Afterwards I showed 2 things I demonstrated resilience in my learning. I showed them my inquiry and maths book. Then I gave them a tour around the class. Once I'd shown them around, we went to the teacher and she gave **them** some homework!! By Aaliya.

On Wednesday after Easter holidays we had our PPPs after school. I had to introduce my Dad to my teacher, who is my Mum!! I showed Dad my reading, writing and maths books plus my other ones as well. He said "wow, you've been doing a lot of work here". By Bridie.

First I introduced my parents to Miss Holland. Then I showed my parents around the classroom and my work. I showed them something I was proud of. By Rosie.

Community Gardens.

On Wednesday, Thursday and Friday some people in Karearea class went with Grum to help out with the Community Garden. First we got on the back of the trailer and started shovelling bark and horse poo onto some old carpet and then we had to make it even with rakes. We did this to sweeten up the soil and give it some nutrients. We went down in groups of three and each group worked for about an hour. It was really fun and I hope we do it again. By Nika.

APRIL '24
